The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS

YEAR ENDED 30 JUNE 2003

We have audited the financial statements on pages 5 to 16 which have been prepared under the historical cost convention and the accounting policies set out on page 8.

This report is made solely to the company's shareholders, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's shareholders those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the directors and the auditors

The directors' responsibilities for preparing the Directors' Report and the financial statements in accordance with applicable United Kingdom law and Accounting Standards are set out in the Statement of Directors' Responsibilities on pages 2 to 3.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the Directors' Report is not consistent with the financial statements, if the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We read the Directors' Report and consider the implications for our report if we become aware of any apparent misstatements within it. Our responsibilities do not extend to any other information.

Basis of audit opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the company's affairs as at 30 June 2003 and of its profit for the year then ended, and have been properly prepared in accordance with the Companies Act 1985.

HAKLUYT & COMPANY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 30 JUNE 2003

1. Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents the invoiced value of services less value added tax.

Fixed assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Leasehold Improvements	- 10% Reducing balance
Office Equipment	- 25% Reducing balance
Furniture and Fittings	- 20% Reducing balance
Computer Equipment	- 33% Reducing balance

Depreciation is not charged on long leasehold property as the charge would be immaterial due to the length of the useful economic life of the property.

In accordance with Financial Reporting Standard 15 an impairment review under Financial Reporting Standard 11 is performed on this property. The results of this review showed that the recoverable amount is in excess of the carrying amount, and accordingly in the directors' opinion no impairment exists at 30 June 2003.

Work in progress

Work in progress is valued on the basis of the lower of direct costs and net realisable value.

Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

Pension costs

The company contributes to two Group Personal Pension Schemes. The annual contributions payable are charged to the profit and loss account.

Deferred taxation

Deferred tax is provided on the liability method to take account of timing differences between the treatment of certain items for accounting purposes and the treatment for tax purposes. Tax deferred is accounted for in respect of all material timing differences. Deferred tax assets are only recognised to the extent that they are regarded as recoverable.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date, or where appropriate at the forward contract rate. For transactions in foreign currencies where no foreign currency bank account exists, these are recorded at the rate ruling at the date of the transaction.

Investments

Investments held as fixed assets are stated at cost less provision for any permanent diminution in value.

2. Turnover

Geographical Segments

The directors are of the opinion that disclosure of segmental information would be prejudicial to the company's interests, and consequently such information has not been disclosed.
