Subject: FW: DONOVAN WEBSITE

Greetings - no big deal, but you might like to be aware
that there is an article addressed on the Donovan
website.

<http://royaldutchshellplc.com/>

The content is very much the usual
safety allegations. Starts as follows:

It is quite possible that they might try and contact you by email; our position is not to respond, since doing so only attracts further interest. Gratifyingly, their chatline recently seems to be attracting very little (and low quality) input.

We have an issues brief on the subject (recently updated/checked with _____ as attached.
