Hi

I don't know if you have seen this, but Wikipedia does allow the 'truth' to be provided - in other words, we can provide our facts if we think it worthwhile arguing any of what's said here.

Regards,

I know that we are very locally focused but I also try to stay abreast of our global interests as well (mainly by reviewing internal documentation). I was surprised to find the following story on wikipedia? No doubt the issue manager in Den Haag has seen this but for our knowledge worth noting its existence and content
