Dear Mr Ross

YOUR REF: CDT/1934 – 1998

MR COLIN JOSEPH, SENIOR PARTNER,
DJ FREEMAN SOLICITORS, 43 FETTER LANE, LONDON EC4A 1JU

I am writing with regard to the complaint I lodged against Mr Colin Joseph of DJ Freeman by fax on 10th July 1998. It is totally unacceptable that although **nearly seven weeks have passed since I notified you of the matter**, I have not even received the courtesy of an acknowledgement. It does not exactly inspire confidence.

On telephoning your offices today, I was informed that the matter has been referred to the Solicitors Practice Unit. I look forward to hearing from them without further delay.

As Mr Joseph is aware, ALL Members of Parliament have already been notified about the sleazy activities of the undercover operative instructed by DJ Freeman. I will be writing to all MP's again in October and trust that some progress will be made by then in response to my complaint. In the meantime the matter and associates events will become the focus of international exposure.

Yours sincerely

John Donovan
