

TODAY, 40,000 PEOPLE
COULD WIN MASTERMIND.

No, it's not a misprint. It's your chance to win anything from 50 pence right up to £10,000 simply by visiting any Shell service station and playing Shell Mastermind.

3 MILLION CASH PRIZES

Because there are 3 million prizes to be won, 40,000 people could win every day, and you don't need to be an expert on anything to play, and win, Shell Mastermind.

A £10,000 PRIZE TO BE WON EVERY WEEK

Whenever you visit a Shell station you'll be given a question or answer, worth 50p, £1, £100, £500 or even £10,000.

Simply match up your question or answer – left or right hand halves – with the correct question or answer collected on another visit, and you'll win the money.

It's as easy as that. Nobody can lose, and anybody can win.

JUST DRIVE IN
AND PLAY

Remember, only Shell service stations have 'Mastermind'. So visit a Shell station soon, and get a little more fun from your motoring.

SHELL. MAKING THE MOST OF MOTORING.

No purchase necessary. Only one note per person per visit per day. Only drivers with a current driving licence in control of a motor vehicle may enter.
