Dear Sirs

**CHRISTOPHER PHILLIPS**

We refer to and thank you for your fax letter dated 25 June 1998 with instructions to investigate Christopher Phillips and Cofton Consultants. Our agents have completed their preliminary investigation and report as follows:

- 1/ The official subscriber of the telephone and fax numbers referred to on the business card supplied by Christopher Phillips, 0171 823 8244 and 0171 823 9553 is a company by the name **Typing Overload Limited**. This company offers "Prestige address facilities for business and private clients" (see attached).

A representative of Typing Overload Limited confirmed they accept mail on behalf of Cofton Consultants and Christopher Phillips, but declined to disclose any other information pertaining to the account. No checks are undertaken by the Company into the credentials of "Clients".

- 2/ Suite 325, 28 Old Brompton Road, London SW7, is an accommodation address used by the firm M C Investigations. The firm's only published telephone number is 07000 781224, this is a mobile telephone, and the 07000 prefix indicates the account is with Vodaphone.
- 3/ Despite an extensive search of trade directories and other sources we have been unable to locate an investigator by the name Christopher Phillips or the company Cofton Consultants.

If you require our further assistance in this matter, please do not hesitate to contact us.

Yours faithfully
