Shell critic says oil r website

LONDON (Reuters) - A promine Royal Dutch Shell says the oil n anti-cyber fraud agency to targe admits provides better informati its own internal communications

John Donovan, who runs the Royaldutchshell disaffected Shell employees post company ne suggests Shell has adopted more aggressive him down.

"They are very worried about the leaks," Don telephone interview.

"They are trying to track down the people who us," he added.

The allegations are based on emails Donovan
